Skills: interviewing and informing the patient; description of patient path; case summary
13. End-term oral exam.
14. Closing the term. Evaluating the term.

Requirements for attending the course and catching-up opportunities:

Attendance of lessons is obligatory. Students are allowed to have three absences per semester. In the case of more absences, the teacher may deny giving signature (TVSz 29§ (2) a)). Students who miss a class, can make up for it (two times a semester).

Possibilities to justify absence:

A medical certificate for long-term sickness or hospitalization is required if students are absent more than 2 times.

Midterm and end-term tests and possibilities for retake:

Midterm test (week 7) and end of term oral exam (week 13)

Topics of midterm: see the topics of the course.

Students who fail the midterm test must retake it outside of the hours of the lesson.

Requirements for signature:

Attendance of lessons is obligatory. Students are allowed to have 3 absences per semester. In the case of more absences, the teacher may deny giving a signature (TVSz 29§ (2) a). Students who miss a class can make up for it (two times a semester). Students must pass both test and oral exam. Active participation is required during the lessons.

Final grade:

The evaluation of student performance is based on the marks received for the written paper, the oral exam, and for active participation in classes. Tests under 50% must be retaken. In the latter case, the result of fail will also be calculated towards the final mark.

0–50% = 1 (fail)

51–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)

90–100% = 5 (excellent)

Type of exam: practice mark

Application for the exam: –

Modification of the application for the exam: –

Justification of absence from the exam:–

List of course material and secondary literature:

Authentic material compiled by the Department of Languages for Specific Purposes. Textbooks per specific languages according to the list provided.
