2	Cardiovascular system										
3	Respiratory system										
4	Gastrointestinal system										

5	Revision with the help of case studies
6	Revision with the help of case studies
7	Oral health
8	Neurology
9	The sensory organs
10	The skin - the integumentary system
11	The reproductive system
12	Revision
13	final test
14	retakes

Other subjects concerning the border issues of the given subject (both compulsory and optional courses!). Possible overlaps of themes: -

Special study work required to successfully complete the course: -

Requirements for participation in classes and the possibility to make up for absences:

Attendance of lessons is obligatory. Students are allowed to have seven absences per semester. Students who miss a class can make up for it (twice a semester). A medical certificate for long-term sickness or hospitalization is required if students are absent more than 3 times.

Methods to assess knowledge acquisition during term time:

On written test (week 13)

Topic: Based on the curriculum

Retake: week 14

Requirements for signature:

Attendance of lessons and oral interviews is obligatory. Students are allowed to have three absences per semester. Student who miss more than 25% of the practical classes cannot receive a signature (Study and Examination Regulations § 29 § 2a).

Type of examination: practical grade

Requirements of the examination: -

Method and type of evaluation:

The practical grade is given based on the result of the final test.

0-49% = insufficient (1)

50-59% = sufficient (2)

60-74% = medium (3)

75%-89% = good (4)

90-100% = excellent (5)

How to register for the examination?: -

Possibilities for exam retake: -

Printed, electronic and online notes, textbooks, guides and literature (URL address for online material) to aid the acquisition of the material:

Bakó, Alexandra. Medical Terminology II, manuscript. 2017 (available on the moodle course of the subject in pdf)

Signature of the habilitated instructor (course leader) who announced the subject:

Signature of the Director of the Managing Institute:

Hand-in date:

Opinion of the competent committee(s):

Comments of the Dean's Office:

Dean's signature:
