14.	Evaluation, assessment of oral professional competencies
Schedule of consultations: -	
<i>Course requirements</i>	
Course prerequisites: -	
Requirements for participation in classes, extent of acceptable absences, method of justifying absence, possibility to make up for absences:	
Attendance of lessons is obligatory. Students are allowed to have three absences per semester. In the case of more absences, the teacher may deny giving signature. Students who miss a class, can make up for it (once a semester). A medical certificate for long-term sickness or hospitalization is required if students are absent more than 3 times.	
Mid-term tests: Written mid-term and end-of-term spoken test (week 7 and 13) Topics of midterms: see the topics of the course. Students who fail the midterm test must retake it outside of the hours of the lesson	
Requirements for signature:	
Attendance of lessons is obligatory. Students are allowed to have 3 absences per semester. In the case of more absences, the teacher may deny giving signature. Students who miss a class, can make up for it (once a semester). Students must pass both tests. Active participation is required during the lessons. The evaluation of student performance is based on the marks received for the 2 tests and active participation in classes. Tests under 50% must be retaken. In the latter case, the result of a fail will also be calculated towards the final mark.	
0–50% = 1 (fail) 51–60% = 2 (pass) 61–75% = 3 (satisfactory) 76–89% = 4 (good) 90–100% = 5 (excellent)	
Students individual tasks during the semester: -	
Method of end-of-semester evaluation: graded	
Form of end-of-semester evaluation: Written mid-term and end-of-term spoken tests.	

External internships of the course: -
Printed, electronic and online notes, textbooks, guides and literature (URL address for online material) to aid the acquisition of the curriculum: Authentic material compiled by the Department of Languages for Specific Purposes. Textbooks per specific languages according to the list provided.
Material needed for the course: -
Course-related scientific results, research: -
Course description prepared by: Katalin Fogarasi PhD, Borbála Nagy, Éva Katalin Varga PhD
