Schedule for teaching the course
Topics of theoretical lessons (broken down by weeks): -
Topics of practical lessons (broken down by weeks):
Week 1: Introduction, university studies, subjects and specialities
Skills: asking for basic information, orientation in medical fields
Week 2: Body regions, body parts and related symptoms. Types of medication according to their application
Skills: asking the patient about their complaints during drug handover
Week 3: Diseases and surgical interventions. Pharmaceutical forms
Skills: asking the patient about their complaints during drug handover
Week 4: Inherited diseases, predisposition and causes of death. Types of drugs according to therapeutic effect
Skills: interviewing for family-related illnesses and social conditions during drug handover
Week 5: The nature of pain, pain relief. Types of painkillers
Skills: giving instructions and asking questions
Week 6: Referral to a specialist. Prescription writing
Skills: evaluation of complaints; knowing how to fill in the recipe, correcting a prescription
Week 7: Midterm test. Medication dosage, indications and contraindications
Skills: understanding patient information leaflets
Week 8: Emergency care
Skills: OTC medication handover
Week 9: Laboratory tests. Blood glucose measurement at the pharmacy
Skills: interpreting laboratory findings; preparing the patient for examination, informing the patient
Week 10: Examining the patient with diagnostic devices. Measuring blood pressure at the pharmacy
Skills: interpreting laboratory findings; preparing the patient for examination, informing the patient
Week 11: Life with a chronic illness after surgical interventions
Skills: preparing the patient for surgery, wound treatment, informing the patient after operation
Week 12: Check-up, discharging the patient
Skills: interpretation of the discharge report, advising patients
Week 13: End-term test. Presentations
Week 14: Closing the term. Evaluating the term
Schedule of consultations: -
Course requirements
Course prerequisites: -
Requirements for participation in classes, the extent of acceptable absences, method of justifying absence, possibilit
to make up for absences:
Attendance of lessons is obligatory. Students are allowed to have three absences per semester. In the case of more
absences, the teacher may deny giving a signature. Students who miss a class can make up for it (once a semester).
A medical certificate for long-term sickness or hospitalization is required if students are absent more than 3 times.
Assessments: Written mid-term and end-of-term oral test (week 7 and 13)
Topics of midterms: see the topics of the course.
Students who fail the midterm test must retake it outside of the hours of the lesson
Requirements for signature:
