Skills: interviewing and informing the patient; description of patient path; case summary
 13. End-term oral exam.
 14. Closing the term. Evaluating the term.

Related subjects due to interdisciplinary fields (both compulsory and elective) and potential overlaps between subjects:

Attendance requirements; conditions under which students can make up for absences and the method of absence justification:

A maximum 3,5 absences are allowed i.e. 7x45 minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

Form of assessment in the study period:

(including the number, topics and scheduling of oral and written tests, their share in the overall evaluation, make-up tests and improvement tests)

Written mid-term (week 7, Topics: week 1-6); end-of-term oral test (week 13 and 14 , Topics: week: 1-13)

The evaluation of student performance is based on the marks received for the 2 tests.

The result of the written test makes up the 40% of the term grade and the result of the oral test makes up 60% of the term grade.

Student performance is assessed as follows:

1-49%= 1(fail)

50–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)
90–100% = 5 (excellent)

Number and type of assignments for individual work and the deadline for submission:

Requirements to obtain the teacher's signature:

Taking the written and oral tests, and class attendance .

A maximum 3,5 absences are allowed i.e. 7x45 minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

Type of assessment (*comprehensive examination, end-term examination, term-grade, term-grade on a three-grade rating scale, no examination*): term grade

Examination requirements:

(*list of examination topics, subject areas of tests / examinations, lists of mandatory parameters, figures, concepts and calculations, practical skills*)

Method and type of grading:

(*Share of theoretical and practical examinations in the overall evaluation. Inclusion of the results of the end-of-term assessment. Possibilities of and conditions for offered grades.*)

The evaluation of student performance is based on the marks received for the 2 tests. The result of the written test makes up the 40% of the term grade and the result of the oral test makes up 60% of the term grade.

Student performance is assessed as follows:

0–49% = 1 (fail)

50–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)

90–100% = 5 (excellent)

List of course books, textbooks, study aids and literature facilitating the acquisition of knowledge to complete the course and included in the assessment, precisely indicating which requirement each item is related to (e.g., topic by topic) as well as a list of important technical and other applicable study aids:

Authentic material compiled by the Department of Languages for Specific Purposes. E-learning materials on moodle.

Signature of habilitated instructor (course coordinator) announcing the course:

Signature of the director of the host institution:

Date of submission: April 30,2023
