Are you allergic to anything? Do you smoke? (If yes, for how long, how much) etc.; Where does it hurt? Do you have toothache or sensitivity?</i>• present a simple dentist-patient conversation, answer questions on topics (tooth, tooth decay, tooth brushing) and speak independently. <p>Reading skills: students can understand short texts using the vocabulary learned; in the case of texts that contain some unfamiliar words, infer the meaning</p> <p>Writing skills: students can write short texts (1-3 sentences) based on a question or a topic; fill out a DMF chart on the basis of heard or written texts.</p>

Pre-study requirements and prerequisites of course registration and completion in case of a multi-semester subject, the standpoint of the educational-research unit on the concurrent subject registration and on the requirements of permission thereof:

FOKONYE320_1A (English program)

FOKONYE320_1N (German program)

Concurrent subject-registration is not allowed.

Number of students required for announcement of course (min., max.), method of selection:

Minimum number of students: 5.

Maximum number of students: 20

Method of course registration: via the Neptun system

Detailed course/ lecture description:

Week 1. Revision: internal medicine chart

Week 2. Revision: complaint, pain (location, timing, character, etc.)

Week 3. The tooth. Tooth material and parts

Names of teeth

What is DMF?

Week 4. Number of decayed, missing and filled teeth (listening and reading comprehension)

Dialogues

Week 5. Tooth decay / Caries 1

Week 6. Tooth brushing

Week 7. Revision, oral test

Week 8. Basics of dentist-patient dialogues 1.

Introduction, short history-taking

Week 9. Basics of dentist-patient dialogues 2.

Instructions during examination, diagnosis

Week 10. Basics of dentist-patient dialogues 3.

Treatment, saying goodbye

Week 11. Tasks and exercises in the topics above (e.g., comprehension)

Revision: the tooth, tooth decay, tooth brushing

Week 12. Listening comprehension exercises in the topics above

Improvised dialogues, vocabulary building based on possible answers, strategies to improve comprehension

Week 13. Revision

Week 14. Oral test

Courses (compulsory and obligatory elective) which in part or entirely overlap the topics of above course: ---

Special academic work required for completion of the course: ---

Attendance on practices and lectures, replacement in case of missed sessions:

A maximum of 7 absences is allowed; if the number of absences exceeds this, students may make up missed classes in another group (maximum two times) in agreement with the instructor. Students who miss more than 25% of the classes will not be allowed to get a signature. For more than the allowed number of absences, a medical certificate of long-term illness or hospitalization is required.

Method of checking acquired knowledge during the study period:

Two oral tests in weeks 7 and 14

Topic: the material covered

Make-up and upgrade opportunities: to be arranged outside of class with the instructor.

Requirements of an accepted semester (*signature of the lecturer*):

A maximum of 7 absences is allowed; if the number of absences exceeds this, students may make up missed classes in another class (maximum two times) in agreement with the instructor. Students who

miss more than 25% of the classes will not be allowed to get a signature; attendance in classes; attendance in both oral tests.

Type of the exam: ---

Requirements of the exam: ---

Grading of courses:

Students will receive a term grade based on the average of their oral tests and their class work. The second oral test is marked by two teachers on separate mark sheets and an average is calculated. An unsatisfactory oral test must be repeated – the ‘fail’ (1) grade for these students will also count towards the end-of-term grade. Assessment of oral tests:

0-49% = fail (1)

50-59% = pass (2)

60-74% = fair (3)

75-89% = good (4)

90-100% = excellent (5)

The possibility and requirements of an offered grade: ---

Exam registration: ---

Rules of repeating exams: ---

List of textbooks, lecture notes and recommended textbooks, online material:

Teaching materials and audio recordings using authentic medical documentation, edited by the instructors of the Department of Languages for Specific Purposes.

Signature of course lecturer:

Signature of head of the department:

Date of submission:

April 30, 2023

Opinion of the ECC:

Comment of Dean’s Office:
