**Related subjects due to interdisciplinary fields (both compulsory and elective) and potential overlaps between subjects: -**

**Attendance requirements; conditions under which students can make up for absences and the method of absence justification:**

A maximum 3,5 absences are allowed i.e. 7x45 minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

**Form of assessment in the study period:**

Written mid-term (week 7, Topics: week 1-6 week 12 : Topics 1-11) end-of-term oral test (week 13 and 14 , Topics: week: 1-13)

Students who fail the midterm test must retake it outside of the hours of the lesson

In the latter case, the result of a fail will also be calculated towards the final term mark.

The evaluation of student performance is based on the marks received for the 3 test.

Tests under 50% must be retaken.

1-49%= 1(fail)

50–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)

90–100% = 5 (excellent)

**Requirements to obtain the teacher's signature:**

Attendance at the written and oral tests and class attendance.

A maximum 3,5 absences are allowed i.e. 7x45 minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

**Examination requirements: -**

**Method and type of grading: term grade**

The evaluation of student performance is based on the marks received for the 2 tests. Tests under 50% must be retaken. In the latter case, the result of a fail will also be calculated towards the final mark. The result of the written test makes up the 40% of the term grade and the result of the oral test makes up 60% of the term grade.

Student performance is assessed as follows:

0–49% = 1 (fail)

50–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)

90–100% = 5 (excellent)

**List of course books, textbooks, study aids and literature facilitating the acquisition of knowledge to complete the course and included in the assessment, precisely indicating which requirement each item is related to (e.g., topic by topic) as well as a list of important technical and other applicable study aids:**

Authentic material compiled by the Department of Languages for Specific Purposes. E-learning materials on moodle.

**Signature of habilitated instructor (course coordinator) announcing the course:**

**Signature of the director of the host institution:**

**Date of submission:**

April 30, 2023

**Opinion of the ECC**

**Comment of Dean's Office**

**Dean's signature**
