Courses (*compulsory and obligatory elective*) which in part or entirely overlap the topics of above course:-

Special academic work required for completion of the course²:-

Attendance on practices and lectures, replacement in case of missed sessions:

A maximum 3 absences are allowed i.e. 3x90minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

Consequences of absence from sessions and exams: –törölve

Method of checking acquired knowledge during the study period³:

Written mid-terms (written assignment: e.g. a case study) :week 8; Topics: materials of weeks 1-8, end-of-term oral test : weeks 13 ; Topics: studies material of weeks 1-12

Students who fail the midterm test must retake it outside of the hours of the lesson

The evaluation of student performance is based on the marks received for the the written test and oral presentation.. The result of the written test makes up the 50% of the term grade and the result of the oral test makes up 50% of the term grade.

Tests under 50% must be retaken.

1-49%= 1(fail)

50–60% = 2 (pass)

61–75% = 3 (satisfactory)

76–89% = 4 (good)

90–100% = 5 (excellent)

Requirements of an accepted semester (*signature of the lecturer*):

Submitting the home assignment and taking the oral test and class attendance.

A maximum 3 absences are allowed i.e. 3x 90 minutes of absence are allowed ; if the number of absences exceeds this, the student may make up (maximum one occasion) in agreement with the instructor.

A student who misses more than 25% of the seminars will not be allowed to get a signature (Study and Examination Regulations §29).

According to the Study and Examination Regulations (§ 28), three tardies count as one absence. Arriving 15 minutes later than the start of the lesson is considered tardiness.

Type of the exam:

Requirements of the exam³:

Grading of courses⁴. The possibility and requirements of an offered grade: No possibility of an offered grade

Exam registration:

Rules of repeating exams:

List of textbooks, lecture notes and recommended textbooks, online material:

Authentic material compiled by the Department of Languages for Specific Purposes.. E- learning material in moodle.

Signature of course lecturer:

Signature of head of department:

Date of submission: June 30, 2023

Opinion of OKB:

Notes from the Dean's Office:

Signature of Dean:

¹ Detailed and numbered for each week of theoretical and practical lessons one by one. In an annex, cannot be attached appendix!

² Eg. homework, report, midterm exam etc. Topics, dates, method of retake and replacement

³ List of topics in case of theoretical exam, thematic and method in case of practical exam

⁴ Method of inclusion of theoretical and practical exams. Method of inclusion of midterm assessments.
