

29 - 31 AUGUST 2022

SEMMELWEIS SALON
(26. ÜLLŐI STR., 1ST FLOOR)

12-MONTH PROGRESS REPORT

SEMMELWEIS UNIVERSITY
CENTRE FOR TRANSLATIONAL MEDICINE

The aim of the Progress Report is for our young researchers to present their progress and results over the past months, along with future plans for their work.

Junior Investigators have the options of participating in meta-analyses, clinical trials, registries, and basic research within a specified working group.
