EVALUATION GUIDE

SEMMELWEIS
UNIVERSITY 1769

PRESENTATION SKILLS

1. PowerPoint presentation below expectation, significant number of spelling errors. The content is inaccurate and incomplete (no references included). The speaker reads notes, rather than speaks. Poor time management (less than 6 min or more than 10 min).
2. Poorly organized PowerPoint presentation with spelling errors. The content is incomplete (missing references). The speaker appears anxious and uncomfortable and too often relies on notes. Poor time management (less than 6 min or more than 10 min).
3. Satisfactory PowerPoint presentation with minor spelling errors. The content is generally accurate and complete (some references included). The speaker is generally relaxed and comfortable, but too often relies on notes and has a proper time management.
4. Properly organized PowerPoint presentation, no spelling errors. The content is accurate and complete (references included). The speaker is generally relaxed and comfortable, has fluent expression, generally speaks without reliance on notes, and has a proper time management.
5. Exemplary organized PowerPoint presentation, no spelling errors. The content is accurate and complete (references included). The speaker is relaxed and comfortable, has fluent expression, speaks without reliance on notes, and has a proper time management.

DISCUSSION SKILLS

1. Presenter is uncomfortable with questions, inadequate answers given, no explanations or elaboration at all.
2. Presenter demonstrates inadequate knowledge of the topic and generally fails to elaborate.
3. Presenter demonstrates satisfactory knowledge by answering all questions, but generally fails to elaborate.
4. Presenter demonstrates proper knowledge by answering all questions, generally with explanations and elaboration.
5. Presenter demonstrates full knowledge by answering all questions with explanations and elaboration.

BELOW 50 ELIGIBLE FULL TEXTS

1. 1st project analysis is still ongoing, and no progress in the 2nd project
2. 1st project MS writing with final results is still ongoing, and no progress in the 2nd project
3. 1st project is in internal review and the 2nd project has been drafted (feasibility check is done), OR 1st project is in language or plagiarism check and no progress with the 2nd project.
4. 1st project is submitted, and the 2nd project has started (protocol was registered/data cleansing is ongoing, etc.)
5. 1st project is under revision / accepted, and intermediate phase in the 2nd project

ABOVE 50 ELIGIBLE FULL TEXTS

1. 1st project data extraction is still ongoing, and no progress in the 2nd project
2. 1st project has preliminary results, and no progress in the 2nd project
3. 1st project analysis is still ongoing, and no progress in the 2nd project
4. 1st project MS writing with final results is still ongoing, and no progress in the 2nd project
5. 1st project is in internal review, and the 2nd project has been drafted (feasibility check is done), OR 1st project is in language and plagiarism check, and no progress with the 2nd project.

OVERALL IMPRESSION

1. Failed
2. Poor
3. Average
4. Very Good
5. Brilliant
